Part 1: Acknowledgement of Application Guidelines

I hereby acknowledge these guidelines and submit my application for funding of an external organization from the office of Institutional Advancement. (Submitting this application via email implies acknowledgement of these guidelines)

- Any donations must be made to a legally organized entity; we do not pay to individuals.
- Preference will be given to organizations whose primary organizational structure is as a non-profit usually distinguished as a 501 (C) 3.
- Requests must be made prior to the activity. No back dating requests.
- We prefer that the entity or at least the activity, is Rochester based and the donations stay in the community.
- We like to have some indication as to what the investment results in for us (highlight in media packet, logos included on promotional information, mentions at events, etc.).

Part 2: Description of the Event

Please provide a short description of the event that you are requesting funding for. Details such as time, place, and community involvement should be included in this description. Also include information as to how students will be involved with this event. Understand that a follow-up on the event will be issued to make sure that the funds were used properly.

Part 3: Reason for Funding

Please provide a compelling reason for the Institutional Advancement branch of the University of Minnesota Rochester to fund this organization. Understand that the primary concern of this funding is how it could provide a benefit to the students either in their educational pursuits or their life in the community. (No more than 700 words, please)
