Northwestern Health Sciences University

Thursday, April 9th

2:30pm-3:30pm in USq 398

Anthony Kelm and Dr. Elizabeth Moos

Anthony is an Admissions Representative from Northwestern Health Sciences University. He will be coming to UMR to share more about the programs and advanced degrees NHSU offers. Dr. Elizabeth Moos will be joining via Skype to share her story and where her path through Chiropractic care has taken her.

Dr. Elizabeth Moos is a recent graduate of Northwestern and is now our Clinical Fellow (similar to a medical resident) in the Human Performance Institute. She provides care to the Minnesota Vixen (professional women's football team) and Minnesota Swarm (professional indoor lacrosse team) as well as teaches some courses at NHSU and is very involved with the Sports Council student club. She did her undergraduate studies at UW-River Falls.
